THE HOIST PEOPLE

PRODUCT SPECIFICATION

GEDA 1200Z/ZP

Features & benefits

The large loading capacity of the GEDA 1200 Z/ZP transport platform allows quick and safe transport of bulky and heavy construction materials.

Various platfom configurations with different load capacities and sizes offer the right solution for any area of application and any challenges at a construction site.

The hoist can either be used as materials only at 24m/min, or with the additional roof piece, it can be used to transport persons at a speed of 12m/min.

Each unit is equipped with an overload sensor and side protection rails on the unloading ramp for safety.

Key Benefits:

- 3 platform configurations.
- Up to 130m high.
- Load capacity: up to 1500kg / 7 passengers.
- Lifting speed 12 m/min passenger.
- Lifting speed 24 m/min materials.
- Electro/mechanical interlocking gates.
- Optional Load & Lock Scaffold Rack.
